As we prepare for the annual 3-days weekend celebration for the "**A Chosen Generation & A Peculiar People**" which is the season known to many of us that participated in last year's International Convention of Prophets and Prophetesses, we do hope that you'll make every effort to participate in this grand event in November, 2007.

The theme for this year's convention is "**A Chosen Generation & A Peculiar People**". It's God's wishes to set us beyond our wildest dreams, and as we hold tightly unto His hands, we are empowered!

Please note that you are slated to take an active part in our Revival, Bible Forum and Quiz Competitions, Symposium, Workshop etc, which will come up during the Convention.

The Planning Committee for this year's Convention is inviting you to submit your registration on time. The web address for complete information is:
