CCC NIGERIA COUNCIL OF ELDERS: (THE CCC NIG. DIO. UNIFICATION / RECONCILIATION SUPERVISORY AUTHORITY)

While assembling names for the coming together of the 7 highly esteemed Elders, we now refer to as our **Reverend Fathers-in-Christ** namely: Revs (alphabetically) (1) Are M.A. (2) Banjo S. O. (3) Maforikan P.S. (4) Orovboni S.E. (5) Oshin T.E. (6) Oshoffa E.F. (7) Zannu E.N.; in our bid to use them as the rallying point for our CCC Nig. Unification/ Reconciliation & Renaissance activities in setting up the various Committees we now have on the ground, vide (1) The 7 Revd Fathers-in-Christ seat (2) Gospel Diary/Bible Lesson Comm. (3) The 33 members National Modalities Comm. (4) The Implementation Comm. (5) The Council of Elders; we neither considered factional nor seniority status 'per se'. We were only driven by a divine zeal on how to assemble them.

As at today, the bible lesson for use on all services days by all CCC in Nigeria as a Diocese and possibly the Rep. of Benin Diocese in 2012 is already being compiled by the Gospel Diary/Bible Lesson Committee which will be the endorsed copy to be printed for use by all factions in Nigeria and in the Diaspora-(incidentally one of us could not meet up with its avowed obligation in 2011 due to unforeseen circumstances). The **33 members modalities Committee** is winding up its activities and will get their report ready for ratification by the Council of Elders after due spiritual and constitutional assessment and vetting. In order for our **7 Revd. Fathers-in-Christ** (many of them are old and ailing) to be able to perform creditably as the superintending organ of the Church (in Nigeria and in the Diaspora), there is need to inject other versatile men of honour and integrity into and around the body of the 7 Elders; to thus become the **CCC Nigeria Council of Elders**; especially during this dispensation of CCC reconciliation.

The finally endorsed report by the Council of Elders will (a) represent the reforms necessary to bring about **THE RENAISSANCE OF THE NEW ERA CCC that will compete favourably with any other established Church worldwide**, while (b) the coming together of CCC membership of all Dioceses the world over, and the general consensus aggregate acceptability and endorsement of the various reconciliatory options available, will constitute **THE UNIFICATION AND FINAL RECONCILIATION OF CCC (worldwide)**. The anointment of a **universally acceptable worldwide Pastor/Head** will thus become a simple spiritual exercise.

You are hereby nominated to become a member of the proposed Council of Elders.

The date and venue of the inaugural meeting of this body will be communicated to you soonest.

Yours in CCC Unification,

ARIKAWA AKIN
